AdHoc Translations is a modern translation agency that knows how to combine proud traditions with the latest technologies — that is what sets us apart. With nearly 30 years' experience in the industry, we combine the best from 3 generations, and as our customer you will get:- High quality- Personal service- Streamlined processes- Competitive prices- Efficient CAT tools, technologies and integrationsAdHoc Translations is a modern translation agency that knows how to combine proud traditions with the latest technologies, which makes us something unique in the industry.

With our almost 30 years in the bag, we manage to combine the best of 3

generations:**1ST GENERATION:
LOVE, PRIDE AND QUALITY**

At AdHoc Translations, we hold on to the virtues that make you, as a customer, clearly feel our love and pride in the subject. Among other things, we have chosen to hold on to our internal translators, as some of the only ones in the industry,

which illustrates that only the best quality is good enough for us.**2ND GENERATION:
STREAMLINING, OUTSOURCING AND LOW PRICES**

Streamlining work processes is a must when you, like us, want to give our customers the best prices. Therefore, each of us must do what we do best: Our skilled internal and external translators must translate, our dedicated project

managers must provide our customers with the best service and tailor-made

solutions, and everything must be handled smart, simple and efficient.3RD

GENERATION:

TECHNOLOGY, INTEGRATION AND DEVELOPMENT

The rapid technological development of recent years has created an increased need for rapid handling of huge amounts of information across borders through various channels. We want to meet this need by constantly being able to offer our customers the latest and most intelligent solutions, which among other things ensures full integration with our customers' systems for optimal work processes and faster delivery. At AdHoc Translations, we see it as our most important task to always be able to make it a little better for our customers.OUR SOLUTIONS

As your professional translation agency in Copenhagen, and the rest of Denmark, we make your global communication a success instead of an obstacle. Our services range from professional translation, interpretation and text editing to the latest and most innovative technological tools and much more. In close dialogue with the individual customer, we find the solution that suits you and your company.AdHoc Translations is a modern translation agency that understands how to combine proud traditions with the latest technologies, which is what sets us apart. With nearly 30 years' experience in the industry, we combine the best from 3 generations:LOVE,

PRIDE & QUALITY

At AdHoc Translations, we remain true to our founding virtues, and the way in which we work clearly demonstrates to our clients that we love and take pride in what we do. For instance, we are among the few remaining translation agencies that have chosen to retain our in-house translators, demonstrating that only the highest quality is good enough for us.EFFICIENCY & GOOD PRICES

Streamlining work processes is critical in order to ensure we can give our clients the very best prices, which is why each of us focuses on what they do best: Our talented internal and external translators focus on translation while our dedicated project managers focus on providing our clients with the best possible service and tailored solutions, and all our work is complemented by smart, simple and efficient processes.TECHNOLOGY & INNOVATION

The rapid rate of technological advances in recent years has resulted in an increased demand for rapid handling of huge volumes of information across borders and through a variety of channels. We strive to meet that demand by constantly

being able to offer our clients the latest and smartest solutions. Amongpage 2 / 3

benefits, these solutions can be fully integrated into our clients' internal systems with a view to streamlining work processes and ensuring faster delivery of translations. At AdHoc Translations, we believe our foremost objective is to continuously work to make things a little better and easier for our clients.
